

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Eagle Point Planning Commission will conduct a public hearing on Tuesday, January 17, 2017 at 7:00 p.m. in the City Council Chambers at City Hall, 17 South Buchanan Street, Eagle Point, Jackson County, Oregon to consider amendments to the Eagle Point Municipal Code, Chapter 17.68 (Zoning – Sign Regulations) to allow electronic message signs.

Planning Action File Number: PA #16-12:ZOA
Zoning Amendment
(Electronic Message Signs)

The decision-making process for zoning amendments is established in Eagle Point Municipal Code, Chapter 17.92. This is a legislative land use decision-making process, with final decision by the City Council.

This hearing provides an opportunity for testimony and questions to be answered. Although comments may be provided at any time up to and during a public hearing, it is preferred that they be submitted in writing to Mike Upston, Planning Director, at mikeupston@cityofeaglepoint.org at least two weeks prior to the Planning Commission hearing so they may be incorporated into the materials being prepared for it.

Pursuant to ORS 197.763 (3) (e), failure to raise an issue during this hearing, in person or in writing, or failure to raise an issue with sufficient specificity to afford the decision-maker and the parties an opportunity to respond to the issue will preclude the ability to appeal based on that issue.

City records related to this matter may be viewed now, and staff recommendations will be available for public review seven days prior to the Planning Commission public hearing at www.cityofeaglepoint.org.
