Ever wonder how Eagle Point got its name?

The first settlers watched in awe as magnificent eagles soared overhead and nested high up on a butte. Read *"Images of America Eagle Point"* to learn more about the history of Eagle Point. Purchase books at City Hall, Harnish, Museum, Valley Feed & Mill.

MAY 9……...…………...PARKS & REC. MEETING @ 7:00 PM
MAY 14…………….…....CITY COUNCIL MEETING @ 7:00 PM

Street Sweeping

Public Works sweeps streets on Thursdays and Fridays. With the current miles of streets, each street is swept at least once a month. Main Street, in the downtown area, is swept every week. Please remember to move trash bins, recycle bins and portable basketball hoops out of the street. This helps keep the streets clean.

Would you like to Volunteer at Harnish Wayside?

Training for the Harnish Wayside Visitor Center volunteers will take place Tuesday, April 16 from 12 noon to 1 PM. Tips on greeting visitors, review of area brochure information and a tour of the Visitor Center itself will be featured. Call Renate or Richard Gyuro for information 541-821-8071 Location: Harnish Wayside Center (Corner of Highway 62 and S. Royal Ave)

GRANDPARENT SCAM ALERT!

Last year, Oregonians reported sending more than $300,000—most often, by wire transfer—to scammers pretending to be a relative in trouble in a foreign county. Their story usually follows a familiar line: They were traveling overseas with a friend, and were in some legal trouble, got arrested, and need money to be bailed out of jail.

Alternatively, they were in a car accident and need money urgently for medical and legal costs. The "relative" asks for the money to be wired to an account as soon as possible. Of course, none of this is true. The caller is not, in fact your relative. If you fall for it -- you have been scammed!

Visit www.cityofeaglepoint.org or the Oregon Department of Justice website at http://www.doj.state.or.us/Pages/index.aspx to avoid becoming a victim or to find information to report a scam.

Leak Detection

As part of a grant from the Oregon Department of Water Resources, leak detection testing will be done on several of the City's water mains. This will begin in May 2013. Using existing valves and hydrants, Water Systems Optimization will test approximately 20 miles of water main and service connections up to the meters. This project is in partnership with Medford Water Commission, Central Point, Talent, Phoenix, and Jacksonville, all working with the Water Conservation Grant and investigating water saving opportunities for the region.

UPCOMING EVENTS……

Little Butte Creek (River Walk Clean-Up)……………….....April 7th
Vintage Fair……………………………………………..May 11th
Circus……………………………………………...….May 21st
Tour De Eagle Point (Bike Ride)……….....………….June 15th
4th of July……………………………….………….July 4th
National Night Out………………………………….....Aug. 6th
Street Dance……………………………………...……...Aug 17th
Little Butte Creek Festival……....……………….......Sept. 14

Flowers are Blooming

Have you seen all the flowers in the City? There are hyacinth, daffodils and tulips. These were planted as a volunteer effort by EP Women's Club. Please don't walk on or pick the flowers so that everyone can enjoy them while they are blooming.

Flower Basket Sponsors needed…
Call EP Beautification Committee 541-826-3531

The City is reviewing an application for a Black Rock coffee bar and drive-through on West Linn Road near Carl's Jr. If approved, the house that is currently located on the property would be removed and the site developed with the proposed commercial building along with full site improvements including parking and landscaping. This would be the City's second drive-thru coffee bar, with an existing Kona Coffee located in Eagle Point Plaza off Highway 62.

The City has granted approval to allow the Oregon Dept of Transportation (ODOT) to work at night on Highway 62, between Linn Road and Highway 234 from July through October 2013. During this time, we expect that there may be road closures and well-marked detours for drivers. Allowing work to occur at night rather than during peak daytime traffic periods will reduce the overall impacts to traffic and the construction time to about four months. ODOT will provide steady communication to the public with project status and to address questions, issues, concerns, etc. All of the posted project information can also be found on ODOT's web page at http://www.oregon.gov/ODOT/HWY/REGION3/Pages/Oregon62-Linn-Rd.aspx.

City of Eagle Point Neighborhood Watch

Greetings Neighborhood Team! Since 1972, the Neighborhood Watch Program (housed within the National Sheriff's Association) has worked to unite law enforcement agencies, private organizations, and individual citizens in a nation-wide effort to reduce crime and improve local communities. The success of the program has established Neighborhood Watch as the nation's premier crime prevention and community mobilization program. Visible signs of the program are seen throughout America on street signs, window decals, community block parties and service projects.

Together as a community we will make a difference. ***Don't be a victim, think prevention.***

I can be reached at (541) 826-9171 ext. 123 or email me at dlaford@cityofeaglepoint.org

Corporal Dustin Laford, Eagle Point PD

Pick up after your dog….

City Hall has received numerous calls from several concerned Eagle Point citizens about a growing problem with dog owners allowing their pets to defecate in yards, parks, sidewalks and run at large.

DOG WASTE
IS A THREAT TO THE HEALTH
OF OUR CHILDREN · DEGRADES
OUR TOWN · TRANSMITS DISEASE

**LEASH AND CLEAN UP
AFTER YOUR DOG**

IT'S REQUIRED BY LAW!

**IT'S THE LAW
CLEAN UP
AFTER
YOUR DOG**

**MAXIMUM FINE
$250**
PUBLIC HEALTH LAW

**All Pets And Any
Uncontrollable Humans
Must Be Leashed
At All Times!!**
Thank You

This is a violation of the Municipal Code, 9.36.030 – **Control of Dogs**, that states, "*No person who owns a dog or keeps a dog shall permit the dog to: 1. Defecate on a street, sidewalk or publicly owned property unless the person immediately removes the feces from the property.*" Violation of this portion of the Municipal Code constitutes an infraction punishable by a fine not to exceed $250.
