The Eagle Point Splash Park is Now OPEN!!

We are very excited to debut the much anticipated Splash Park, located downtown on Napa Street near Nova Park. The splash park equipment was installed last year as the first phase, made possible through a grant from the Ford Family Foundation. The Upper Rogue Rotary Club provided a grant for the landscaping and irrigation, planting the trees and shrubs as part of their annual workday in June. The completed Splash Park will provide two shade areas, picnic tables, benches, lawn, drinking fountain, and a seat wall to match Centennial Plaza. Bring the whole family to cool off and enjoy waterplay in this convenient downtown location!

YMCA SUMMER DAY CAMP IN EAGLE POINT

1st - 6th Grade!

Monday - Friday
7:30 am - 6 pm

Located at the Hillside Elementary Campus at 185 E. Main St.

YMCA Day Camp is a summer tradition in the Rogue Valley. Eagle Point sessions will be held July 10-14, July 17-21 and July 24-28. Additional weeks outside of Eagle Point are available as well. Registration for Summer Daycamp will be available at City Hall or Rogue Valley YMCA. For more information please call City Hall 541-826-4212 or YMCA 541-772-6295. Additional information and registration forms are also available at: www.cityofeaglepoint.org or www.rvymca.org. Many scholarships are available!

Eagle Point 7th Annual Street Dance, Saturday August 12th, 6:00 - 9:30 pm

Come on down to Bob Moore Park on Main Street in Eagle Point's Town Center on Saturday evening, August 12th from 6:30 – 9:30 pm to hear live music by Duke Street, dance in the street, relax with friends at the park, and partake in the mobile food vendors. The Main Street event area will be blocked off to make this a safe, family-friendly, pedestrian-only event. Spend a warm summer evening outdoors with friends and family, eating good food and enjoying the music!

National Night Out - Tuesday, August 1st - 6:00-9:00 pm

FREE food, FREE prizes, FREE giveaways!!! Join us August 1st from 6-9 pm at Chamberlain Park (Crystal Dr./Reese Creek). This family event includes games, emergency vehicle displays, bike helmet fittings, child passenger safety information, child identification kits, gun locks, identity theft prevention, neighborhood watch information and emergency preparedness resources. Eagle Point Police Department, City Hall, emergency services, local businesses and community members come together in this event to promote community livability, neighborhood partnerships and crime prevention. Bring the whole family for an evening of fun!

24th-28th - EP Summer Daycamp

August 2017

1st - National Night Out
12th - Street Dance

News From Your

EAGLE POINT POLICE DEPARTMENT

Together We Make Our Community Safer!

With the summer months upon us, now is the time to learn about the dangers of heatstroke and being trapped in a hot car. Learn how the temperature outside may affect the temperature inside your vehicle. Heatstroke is dangerous and can be deadly. **Never leave children, pets, or older adults unattended in a parked car.** Use the following life saving tips from the National Highway Traffic Safety Administration to remind yourself and others to check the back seat before walking away from a vehicle. Children mistakenly being left in hot vehicles make up many of the tragedies reported each year.

- Look Before You Lock.** Get into the routine of always checking the back seat of your vehicle before you lock it and walk away.
- A Gentle Reminder.** Keep a stuffed animal or other memento in your child's car seat when it is empty, and move it to the front seat as a visual reminder when your child is in the back seat. Alternatively, place your phone, briefcase, or purse in the back seat when traveling with your child.
- A Routine Check.** If someone else is driving your child, or you alter your routine, always check to make sure your child has arrived safely.
- A Key to Safety.** You know to keep your vehicle locked, but also keep your keys out of reach; nearly 3 in 10 heatstroke deaths happen when an unattended child gains access to a vehicle.

Learn more extreme heat preparedness at www.ready.gov/heat. If you would like to help spread the word about extreme heat safety, visit the [Extreme Heat Social Media Toolkit](#) for resources. Download the [FEMA App](#) for heat advisories and safety tips.

Eagle Point Department of Public Works

Water Quality Report

Have you ever wondered where our water comes from, and how water quality is tested? Medford Water Commission provides water for the Cities of Medford, Central Point, Eagle Point, Jacksonville, and Phoenix. The Annual Water Quality Report from Medford Water Commission is available online and in hardcopy. The Consumer Confidence Report is based upon the Water Quality Data for all cities from 2016. The water quality report is available online at <http://www.medfordwater.org/Files/WaterQualityReport.pdf>, or www.cityofeaglepoint.org. Hard copies may be obtained from Eagle Point City Hall by calling (541) 826-4212.

We have had some comments regarding the smell of chlorine in the tap water recently. The City of Eagle Point purchases our water from Medford Water Commission, as do many other local communities. Currently the Medford Water Commission Duff Treatment Plant is running 24 hours a day to keep up with the increased needs of high water demands during summer months. Medford Water Commission has increased chlorine levels in recent weeks due to hot weather. If the chlorine smell is noticeable, you can place tap water in the refrigerator to cool, which helps remove any potential chlorine taste or smell.

In addition to Medford Water Commission testing, Eagle Point Public Works also conducts independent water quality tests at regular intervals at various locations throughout town to ensure quality, including all four Eagle Point water reservoirs. For questions or concerns, please contact Eagle Point Public Works at (541) 826-4212.

Summer Mystery Clue Game - Through August 13th

The Mystery Clue Game at the Eagle Point Museum is underway for kids grades K-5. Clues will be posted at the Eagle Point Library and at the Museum. Get the clue, come to the Museum and find the answer. Submit your answer into the Teddy Bear and a winner will be drawn every two weeks. Winners will have a week to pick up prizes. Join us for a fun time, and experience history firsthand!

Eagle Point Activity Guide

The Eagle Point Activity Guide for Summer/Fall 2017 is available online at www.cityofeaglepoint.org. Check out the newest guide for information on local activities, parks, and events!
