EAGLE POINT 4TH OF JULY A GREAT SUCCESS THANKS TO VOLUNTEERS!!!

Special thanks to everyone who participated in the Eagle Point 4th of July celebration this year. From sun-up to sundown, the day was packed with incredible events that all highlighted the amazing community spirit and tireless volunteers who make Eagle Point a great place to live and visit. New and returning events added to the celebration, and the welcoming, patriotic atmosphere filled with family and friends reminded us all about the things that truly matter in life! For those who may not know, the Independence Day celebration is a true labor of love for this community, and is only possible because of dedicated volunteers who work all year to prepare for the events. If you are interested in volunteering for next year's festivities, now is the perfect time to contact the Eagle Point and Upper Rogue Chamber at 541-944-6925.

Crime Prevention Information - Don't Fall Victim to Scams

One popular scam we've heard about involves scammers falsely purporting to be calling from the Treasury Office of Inspector General, Office of Investigations; the Treasury Office of Legal Affairs or emailing from the Office of the Secretary of The Treasury. Scammers call an individual asserting that the individual has been awarded a grant or a similar sum of money and then requests personal information or a sum of money to "release" the funds. Please be advised, the Treasury does not have such a program. Likewise, e-mails promising a sum of money and purporting to be from the Treasury Secretary or his staff are false. We urge recipients of such calls or e-mails to be extremely wary of any scheme requiring an advance payment for a later promise of funds—these are hallmarks of scams. Another similar scam involves a caller falsely representing that he is from the Internal Revenue Service or impersonating an investigator from this office and demanding payment or information. These callers have been described as threatening or abusive, and tell victims they need to make immediate payment to forestall arrest.

Be aware that these are frauds. PLEASE EXERCISE CAUTION IN YOUR DEALINGS WITH ANYONE PURPORTING TO BE FROM A GOVERNMENT AGENCY AND DEMANDING MONEY OR INFORMATION. Further information concerning one type of these frauds is available at <http://www.irs.gov/uac/Newsroom/IRS-Repeats-Warning-about-Phone-Scams>.

2017 Pavement Management Program

The City is continuing the 5th year of the Pavement Management Program with several projects scheduled for Summer 2017. The crack seal and chip seal projects are scheduled to be completed in August of 2017. Each year the City contracts with Jackson County Roads to place their modified chip seal. The seal coat is scheduled to be completed in September, and the paving in October of this year. For locations of this year's program, updates, and additional information, please contact the Eagle Point Public Works Department or visit the City of Eagle Point website.

The Eagle Point Splash Park is Now OPEN!!

We are very excited to debut the much anticipated Splash Park, located downtown on Napa Street near Nova Park. The splash park equipment was installed last year as the first phase, made possible through a grant from the Ford Family Foundation. The Upper Rogue Rotary Club provided a grant for the landscaping and irrigation, planting the trees and shrubs as part of their annual workday in June. The completed Splash Park will provide two shade areas, picnic tables, benches, lawn, drinking fountain, and a seat wall to match Centennial Plaza. Bring the whole family to cool off and enjoy waterplay in this convenient downtown location!
