The Eagle Point Community Association will be holding its 2nd Covid friendly Easter Egg Hunt!

Date: Saturday, April 16th
Time: 10:00am - 12:00pm
Location: Eagle Point High School—Main Parking Lot (Platt Street Entrance)

This will be a drive thru event again this year, with the hope that we can return to our traditional style hunt next year. Children will receive bags of candy, some with prize stickers good for prize baskets and stuffed animals. The Easter Bunny will also be there to greet the children as they pass by with their families.

For more information contact:
Bunny Lincoln (541)944-2446 or Edith Sherman (541)826-4974.

Join us for Eagle Point's Arbor Day Celebration!

On Monday, April 11th, we will be planting three maple trees in Lucas Park at 10:30am. The community is invited to help us in celebrating our 30th consecutive year as a Tree City. Eagle Point is one of only 69 cities in Oregon designated as Tree Cities, as approved by the Arbor Day Foundation.

Are you interested in volunteering? Would you like to have an impact on what is happening in Eagle Point?

The City of Eagle Point is currently accepting applications for persons interested in serving on the Budget Committee (4 vacancies) or Planning Commission (1 vacancy).

The **Budget Committee** is comprised of City Council and lay members who work together with city staff to develop a balanced budget for the city.

The **Planning Commission** has special land use authority under Oregon law to address land use matters, render judgment, and/or pass recommendations on certain matters to City Council.

Additional details and applications may be obtained online at www.cityofeaglepoint.org or picked up at Eagle Point City Hall, 17 Buchanan Avenue South, Eagle Point, Oregon. If there are questions, please contact Cindy Hughes, City Recorder, at 541-826-4212 ext. 106.

Public Notice to Remove Excessive Vegetation From the City Limits of Eagle Point

Warm weather and dry conditions this spring have created a higher risk for fire activity early in the season. Given the unprecedented and devastating fires that our valley experienced in 2020, we are asking all community members to diligently prepare and maintain properties throughout this fire season. Notice is hereby given that the uncontrolled growth of high grass, weeds, brush, and other like vegetation in city areas is an unlawful fire hazard, health hazard, and a public nuisance and should be abated by removal of said vegetation by May 15, 2022.

All property owners within the Eagle Point city limits are hereby notified that weeds, brush, blackberry bushes, and grass on the entire property shall be disked, cut, or removed to a height less than 10" and maintained to this standard through October 31, 2022. For properties more than one acre in size, in addition to clearing the entire property, firebreaks (bare dirt) may be required and will be determined on a case-by-case basis and coordinated directly with the property owner. Structures in hillside areas shall maintain a minimum 100' defensible space around the perimeter of the structure in addition to the other requirements.

If excessive vegetation is not removed after notice is given, the City of Eagle Point will cause the nuisance to be removed, in which case the cost of removal shall be assessed as a lien on the property. Should a property owner be found in violation of this ordinance (Eagle Point Municipal Code 8.16), a citation and fine may be issued as well for each day the violation exists.

These provisions do not apply to ornamental landscaping, agricultural crops, pasturage zoned accordingly, or to natural areas within Eagle Point public parks. For questions or concerns please contact the code enforcement officer at 541-538-5139. The complete municipal code section can be found by visiting www.cityofeaglepoint.org. Thank you for your cooperation as we work to reduce the fire danger in our community.
