City Hall  
17 S. Buchanan Ave  
Eagle Point, OR 97524For questions regarding City meetings, contact  
Cindy Hughes,  
City Recorder at  
541-826-4212 ext 106**Weed Abatement Reminders**

We appreciate the work everyone is doing as we all need to do our part to keep growth down, reduce the fire danger and keep our City beautiful.

The City's ordinance for weeds and excessive vegetation requires all property owners within the City limits with property less than one acre to maintain their grass and vegetation on their property to a height less than 10 inches. Shrubs, trees, flowers, vegetable gardens are excluded from the requirements. If your property is within the City limits and greater than one acre, a 15-foot fire break (30 feet from any structure, including a fence) is required.

Code enforcement will be notifying property owners with high weeds or excessive vegetation. The goal is to have all properties ready for the 4th of July weekend. Should you receive a notice that your property needs to be mowed or cleaned, you must complete the work within 5 days or you can be fined up to \$500, plus the cost to clean up to the property. All weeds and vegetation will need to be removed before the official beginning of fire season. Please contact Code Enforcement Officer Ben Franco at 541-826-4212 ext. 109 or [benfranco@cityofeaglepoint.org](mailto:benfranco@cityofeaglepoint.org).

SIGN UP

**Parade**– Suzi 541-324-0099 **Booth Vendors** - Joni 541-601-5102

## Water Quality Report Now Available On Line.

The Medford Water Commission and the City of Eagle Point has provided water quality information to its customers on a regular basis for decades. About fifteen years ago annual water quality reporting became mandatory and more formalized under changes in federal regulations, after which we began distributing these reports each year through mass mailing.

While we support the rights of our customers to receive this information, the printing and mailing of these reports has been a substantial expense, and for those customers who didn't desire to read the report, a waste of paper as well. Meanwhile, over the last several years, use and access to the internet has become widespread. As a result, beginning this year we will not be distributing the annual water quality report through bulk mailing. Rather, customers can now easily access this report online at [www.medfordwater.org/WaterQualityReport.pdf](http://www.medfordwater.org/WaterQualityReport.pdf) or [www.cityofeaglepoint.org](http://www.cityofeaglepoint.org) and click the water quality report link. Of course, we recognize that some customers do not have internet access and/or would prefer a paper copy. We are therefore printing some hard copies, which are available upon request by calling 541-826-4212 ext 101. Regarding any questions on the water quality report, please call 541-826-4212 ext. 136.

As always, this report contains important information on the results of water quality testing during the prior year, with explanations of what these results mean. Information on the sources of our drinking water is also included, as well as water conservation tips to help customers save water and money. The online report also includes links to additional information. We encourage our customers to read this report, and hope the new online version is found to be a convenient way of receiving this important information, while also reducing the amount of paper received in each of our mailboxes.

## Pioneer Town Tour

The 2<sup>ND</sup> Annual Eagle Point History Tour is Saturday June 13th. Participants of the Pioneer Town Tour will be taking a step back in time to the early 1900's when Eagle Point became an incorporated city. The walking tour will visit sites of former downtown businesses and learn their remarkable histories. Which building was acquired during a local poker game? Which business owner contracted to build the road to Crater Lake? What was the 'Blind Pig' offered to special customers?

Tickets also include an old-fashioned ice cream social, with music provided by the Old Time Fiddlers at the Butte Creek Mill.

Tickets are: Adults \$12.00, Children (6-12) \$6.00, children under 6 admitted free when accompanied by an adult.

\*\*\*Call the Eagle Point Museum at [541-826-4166](tel:541-826-4166) to sign up for the time of your tour. Tours take about 45 minutes.

Those unable to take the walking tour are welcome to join us for music and the ice cream social at the Butte Creek Mill. Ice cream with toppings will be for sale for those without walking tour tickets.
